## **Experienced Municipal Sales Representative**

Pump Systems Inc. is a Pump Distributor and Manufacturers Representative with a main office in the Lakes Region of central NH, which covers Maine, New Hampshire, Vermont and Massachusetts for our principals.

Our focus is on municipal water and wastewater pumps, water booster stations, lift stations, controls, as well as pumps for landfills and general industry. We are committed to helping our customers help the environment.

An improving economy and increased sales means that we are seeking an experienced municipal sales representative. General responsibilities include calling on Civil and Environmental Engineering firms and municipal officials to promote our products, area contractors to quote the same, and pump resellers. Our principals have honored us by increasing our sales territories and commitments, and we must respond!

This is a technical sales position requiring an engineering and/or technical background. For those qualified, properly conducted outside sales offers ample opportunities for personal success, career development and significant compensation.

This may be an entry level position for someone who has a very strong engineering background and excellent people skills.

We require honesty, integrity, and an ability to work with minimal supervision. This job requires a valid drivers' license, and a clean driving record. The ability to lift up to 30 pounds is needed, as well as the ability to speak, read and write fluently in English.

Preference will be given to an individual with previous experience in mechanical sales in a municipal or construction environment. Experience with Microsoft Office products and ACT! is preferred.

Benefits include base salary compensation, sales commissions with performance based bonuses, health insurance, term life insurance and an employer-matched 401(K) retirement plan.

Be part of a Company where your hard work, commitment and attitude will determine your growth and career track.

Please inquire, with your resume, for an extended job description.
